

November 4 – 7, 2009

Greetings!

Welcome to the 11th Annual National Homeschool Volleyball Tournament! We are delighted to have each returning team, and extend a special welcome to these first time participants:

Wabash Valley Lady Warriors
Heritage Christian Mustangs
Derby Invasion

Each year we look forward to seeing our friends who have participated in years past, and to meeting the new teams from around the country. For 2009 our teams span from coast to coast; From Baltimore to Heritage Christian of San Diego, California. Wow! We are excited to have 32 strong teams which may be the most competitive field ever to come to Omaha for the varsity tournament. You've all worked hard as coaches, players, and parents to become successful on the court this season. As parents we know the cost of homeschool athletics and want to thank you for your sacrifices. In respect to your hard work we thank you for coming to Omaha and want you to know that we will work hard to make this event a great experience for you and your girls; And to bring honor and glory to our Lord and Savior, Jesus Christ. To that end, please do not hesitate to let us know how we can serve you. We pray your stay in Omaha will be a most blessed and memorable time.

Let's PLAY FOR HIM!!!!

A Little NHSVBT History:

In 1999, the very first NCHAA (National Christian Homeschool Athletic Association) Tournament was played. The tournament consisted of 8 teams. The teams that made the trip to Omaha that first weekend in November were:

Phoenix, AZ	CHEN Baltimore, MD
Bellevue Mustangs, NE	HCYA Houston, TX
Little Rock, AR	Southwest Missouri, MO
WAHAA Wichita, KS	Omaha Warriors, NE

The NCHAA has since dissolved, but the National Tournament has continued and grown over the years. As a result of that growth we have been in four different venues, with the addition of a junior varsity division tournament the last two years.

Family and friends at home can follow the tournament results online at www.nhsvbt.org

8:00 AM to 12:30 PM

Four (AA, BB, CC and DD) 4-team pools will play two sets to 25 starting at 4. Must win by 2 points. These 4 pools will be made up of the 1st and 2nd place teams from the eight pools (A-H) on Thursday. For determining pool placement we will first look at pool play W-L record. If three teams hold the same W-L record, then we will look at pool play point differential (points scored minus points given up for all pool sets). The team(s) with the higher point differential will be placed higher. If any teams are still tied at this point, we will put the head-to-head winner of their last pool play match in higher place. If they split, the team with the least points allowed during the head to head pool play will be placed higher. If any teams are still tied after all this, there will be a coin flip. If two teams hold the same pool play W-L record, then we will look at the head to head results of the teams' pool sets, if the teams split, we will then place the team with the least points allowed during the head to head pool play in the higher position. If teams are still tied after all this, there will be a coin flip.

Warm ups for the first 2 matches will be 2-4-4-1. Two minutes shared, four minutes individual team time for each team and then one minute of shared serving time. Other warm-ups will be 3-3-1.

See Friday's Schedule Below.

Warm ups for the first 2 matches will be 2-4-4-1. Two minutes shared, four minutes individual team time for each team and then one minute of shared serving time. Other warm-ups will be 3-3-1.

Tournament Bracket Play Format

This year's tournament bracket play will consist of **4** divisions: **Gold, Silver, Bronze I** and **Bronze II**. The format ensures that all teams play at least 2 matches in tournament bracket play and allows each team to play on Saturday. Teams will be placed into the brackets based on their finish in Friday's Pool Play. For example, if a team finishes 2nd in Friday's BB pool play they will be placed in the BB2 spot in the Gold Bracket. To help ensure that teams will not have to replay a team that they just played in pool play, we will place the other team from the same pool that qualified for bracket play on the other side of the bracket. For example, a team that finishes 1st in pool play will be on the opposite side of the bracket of the team that finish 2nd in the same pool. See the brackets below for specifics on how teams will be placed into tournament matches.

Friday 1:00 PM

The Gold division tournament will be an 8 team bracket made up of the 1st and 2nd place teams from the Friday morning pools (AA, BB, CC, DD). Gold division tournament play in the quarter-finals, semi-finals and final will be best 3 out of 5 (scored 1 to 25). Game 5 will be scored 1-15.. All other play will be best 2 out of 3 (scored 1 to 25). Game 3 will be scored 1 to 15.

Friday 4:00 PM

The Silver division tournament will be an 8 team bracket made up of the 3rd and 4th place teams from the Friday morning pools (AA, BB, CC, DD). All Silver tournament matches will be best 2 out of 3 (scored 1 to 25). Game 3 will be scored 1 to 15.

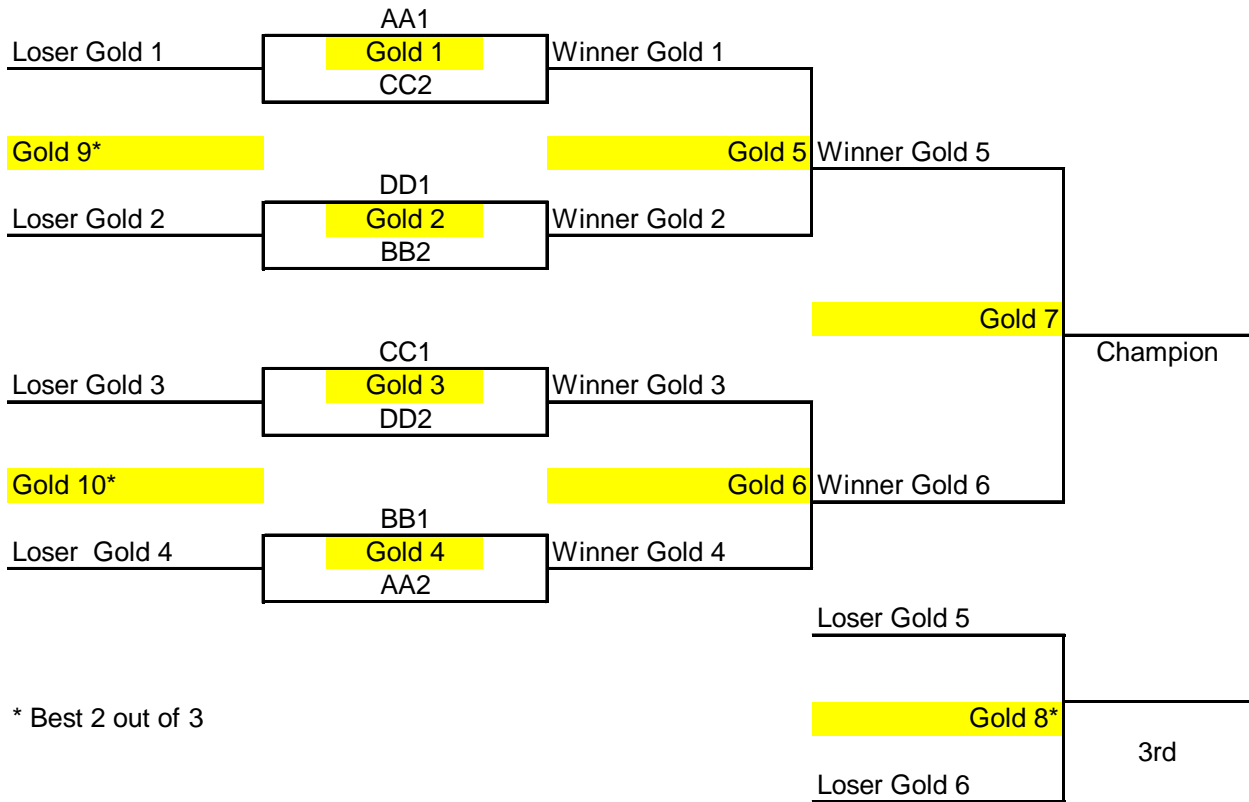

Friday 6:30 PM

The Bronze I tournament will be an 8 team bracket made up of the 1st and 2nd place teams from Friday afternoon pools (EE, FF, GG, HH). The Bronze II tournament will be an 8 team bracket made up of the 3rd and 4th place teams from Friday afternoon pools (EE, FF, GG, HH). All Bronze I and Bronze II tournament matches will be best 2 out of 3 (scored 1 to 25). Game 3 will be scored 1 to 15.

For determining placement in all tournament brackets, we will first look at pool play W-L record. If three teams hold the same W-L record, then we will look at pool play point differential (points scored minus points given up for all pool games). The team(s) with the higher point differential will be placed higher. If any teams are still tied at this point, we will put the head-to-head winner of their last pool play match in higher place. If they split, the team with the least points allowed during the head to head pool play will be placed higher. If any teams are still tied after all this, there will be a coin flip. If two teams hold the same pool play W-L record, then we will look at the head to head results of the teams' pool games, if the teams split, we will then place the team with the least points allowed during the head to head pool play in the higher position. If teams are still tied after all this, there will be a coin flip.

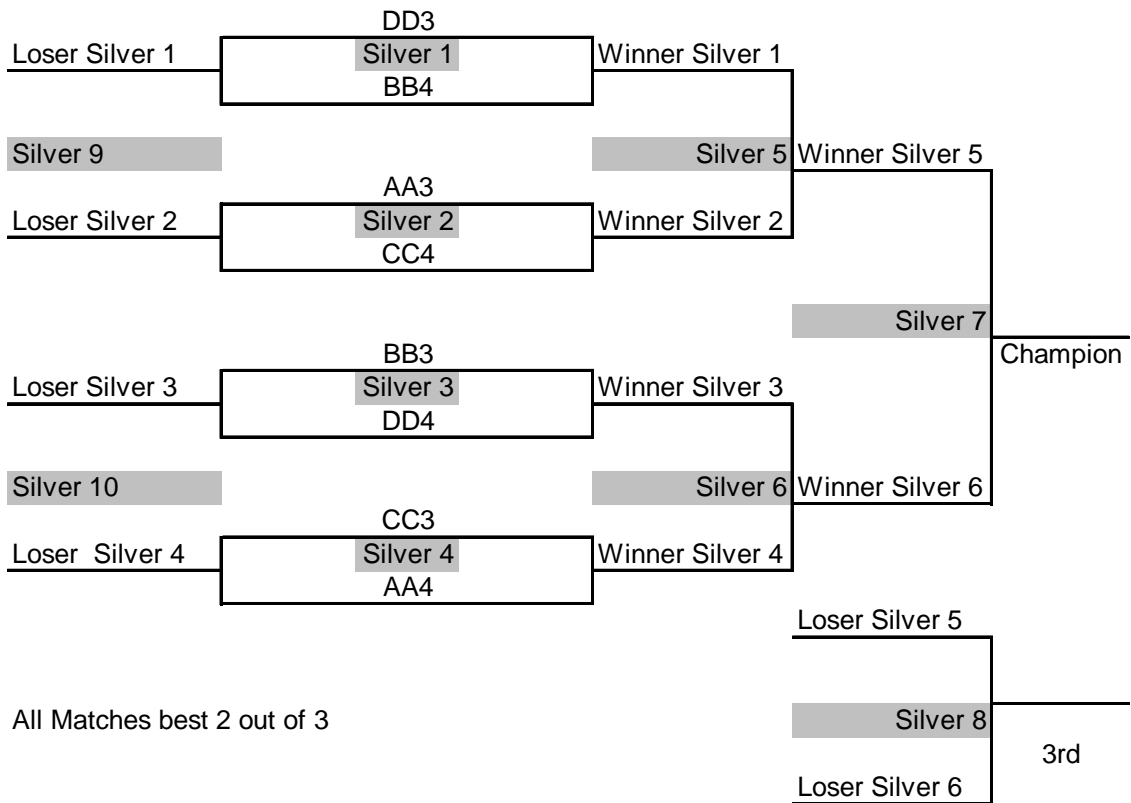

For the Friday and Saturday tournament brackets matches lines judges and score keepers will be provided. Warm ups for each team's first tournament match of the day will be 2-4-4-1. Two minutes shared, four minutes each for team's individual team time and then one minute of shared serving time.
